

Dear Parent/Guardian

The 12-15 COVID imms team are visiting the School for a Catch-up session on the following date: **Tuesday 5<sup>th</sup> April**

The session will be for any students who are due their 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> COVID vaccination. The students who are able to have the vaccine at the session are;

- Aged 12-15
- Were absent from school on our previous sessions and missed their 1<sup>st</sup> vaccine
- Have not tested positive for COVID 12 weeks prior to session.
- Have received their 1<sup>st</sup> vaccine 12 weeks prior to the session.
- Are clinically vulnerable and have been contacted to say they are now due a 3<sup>rd</sup> dose booster
- Have turned 16 since we last visited school

If you consented for your child to have their first, second or booster vaccine but they were either absent or not eligible at the first visit to the school by the team, we will have your child's consent form.

If you wish to change this consent or withdraw, please contact [12-15covidimms@mpft.nhs.uk](mailto:12-15covidimms@mpft.nhs.uk) stating you wish to change / withdraw consent.

If your child has not received any Covid vaccine and you would like them to, there are consent forms at the school reception or you can request on via e-mail at [12-15covidimms@mpft.nhs.uk](mailto:12-15covidimms@mpft.nhs.uk)

The team will have scheduled a collection date with the school, however if the school receive consent forms after this date, we will ask them to be handed to the team on the day for these to be processed to enable the children to be vaccinated.

Any queries please do not hesitate to contact the team at: [12-15covidimms@mpft.nhs.uk](mailto:12-15covidimms@mpft.nhs.uk)

Kind regards
