Updates and messages from Mr McArthur

Hello everyone – I am very happy to report that I am back at school albeit on shortened days for two weeks; Mrs Deer remains acting Headteacher while I catch up. Thank you to everyone who sent me their best wishes for a speedy recovery. It's been another hectic week at school with the GCSEs and A levels continuing and preparation for the first phase of our 'new school day' which starts on Monday with everyone on lunch together.

We have a confirmed start date for our long-awaited building work, Monday 17th June, which is very exciting. When complete we will have an extended yard, a large multi-use dining building, an extended library and additional parking spaces in the area of land to the right of the Stanton Road entrance gate. I have shared images before but here are a few more.

Unfortunately, the work will not be complete by September so we will start the new academic year with building work continuing but everyone will rise to the challenge of a wee bit of disruption; It'll be worth it!

Proposed Dining facility coming 2024

Library- Proposed First Floor Plan

Yesterday (Thursday) was one of my favourite days of the year as it was the day that we gave our new prefects their prefect jumpers in readiness for starting their duties on Monday. I think you'll agree, they look wonderful!

And finally... next academic year is Paulet's 50th year. Hillside Secondary School became Paulet High School on September 1st 1975 meaning September 1st 2025 will be our 50th birthday. Over the course of next year, we want to celebrate this special occasion with some events, reunions and tree planting. We will be asking former pupils to help with these events; look out for correspondence next year and start searching for photographs and stories!

Have a great weekend everyone!

Mr McArthur

Year 11 New Timetable 2024

Students should follow this timetable from Tuesday 7th May.

Rooms will be shared with students on each day for the collapsed sessions. The collapsed sessions are compulsory attendance.

If students are on site and not in lessons, study rooms will be provided.

Students will be provided a morning breakfast and wellbeing pre-exam briefing for all morning examinations.

Students will follow this timetable – including signing out of the school site when identified below.

Any issues or queries should be directed to:

Mrs. V Deer Deputy Headteacher v.deer@phs.jtmat.co.uk or Mr. Peach Head of Year 11 s.peach@phs.jtmat.co.uk

Good luck to all students during this up-and-coming exam season!
